INAUGURATION OF THE TWENTY-FIRST GAS STATION OF LUKOIL MACEDONIA IN THE CITY OF GEVGELIJA.

The ambassador of the Russian Federation in the Republic of Macedonia HE Mr. Oleg Nikolaevic Shcherbak, representatives of the Macedonian Orthodox Church, the Mayor of Gevgelija Mr. Ivan Frangov, representatives of the Cabinet of the President of the Republic of Macedonia, the general manager of LUKOIL Macedonia Mr. Andrei Mihailovic Cucu, as well as other partners and friends of LUKOIL attended the ceremony. The gas station is located on the freeway A1 (E-75) at the border crossing Bogorodica immediately after entering into the Republic of Macedonia. The object comprises 3777 square meters and features 3 dispensers simultaneously providing gas to 6 vehicles, water-air machine, mini market store and an exquisite restaurant. The gas station provides its customers with "ECTO" fuel with the best quality available on the market, liquid petroleum gas, LUKOIL motor oils. Furthermore, it gives its customers an opportunity to enjoy a break and to choose from a diverse range of products offered by our exceptional and professional staff.
