INAUGURATION OF TWENTIETH JUBILEE GAS STATION IN THE CITY OF STRUMICA.

The ambassador of the Russian Federation in the Republic of Macedonia, HE Mr. Oleg Nikolajevic Shcherbak, the European Metropolitan Pimen, the Mayor of Strumica Mr. Zoran Zaev, members of the parliament of the Republic of Macedonia Mr. Slave Gjoshev and Mr. Vasil Pishev, the general manager of LUKOIL Macedonia, Mr. Andrei Mihailovic Cucu and other partners and friends of LUKOIL attended the ceremony. The gas station is located on the Highway M6 Strumica — Radovish and comprises an area of 3500 square meters. Its exterior embellishes the exit out of Strumica. The gas station has been built according to the highest standards and comprises a mini market store, mini bar, water and air machine and 3 dispensers able to provide simultaneous petrol service to 6 vehicles. This is the second object of the LUKOIL brand in Strumica, which provides its customers with high-quality “EKTO” fuel, liquid petroleum gas and LUKOIL motor oils. Furthermore, it gives its customers an opportunity to enjoy exquisite coffee or to choose from a diverse range of products offered by our exceptional and professional staff.

The object is open 24 hours a day, 365 days a year with a local staff of 15 persons, all citizens of Strumica.
